8 Einmalauflagen / Unique editions

*Dear model railway enthusiasts,*

We are pleased to present to you new TLEU products for 2021 in the H0m and H0e gauge in this prospectus.

We have also prepared a whole series of new products in the H0m and H0e gauges for 2021.

One highlight is without doubt the complete redevelopment of the narrow-gauge steam locomotive the "Mallet", we now want to implement this by the end of 2021. We will be happy to inform

*Dear Model Railway Friends,*

we have very been with this prospectus our new TLEU products for the year 2021 in the narrow-gauge H0m and H0e to present to you.

Also for 2021 we have once again a whole series of new products H0m/H0e for you prepared.

One complete redevelopment of the narrow-gauge steam locomotive "Mallet", anticipated in the prospectus 2020, which we now want to implement by the end of 2021. We will be happy to inform you about the progress of this redevelopment in the course of the year. Please be on the lookout for this legendary locomotive in the narrow-gauge H0m and H0e.

We wish you a lot of enjoyment with the new narrow-gauge products for 2021.

We wish you a lot of enjoyment with the new narrow-gauge products for 2021.

We remain your TLEU model railway team

you also of the progressive development status of this new design in the course of the year. Look forward to this legendary steam locomotive in the H0m and H0e gauges.

Please also take note of the one-off production runs offered this year on pages 8 to 11, please note the closing date for orders here: 31 March 2021.

We wish you a lot of enjoyment with the new narrow-gauge products for 2021.

Your TLEU Model Railway team
